

ICTC is strongly committed to Honor, Integrity and Trust in all that we do.

ICTC is passionate about our employees and we consider them and their ongoing development as our most valuable asset.

At ICTC, our processes are customer driven and we deliver extraordinary quality products on time, every time, and with outstanding service.

ICTC is enthusiastic about our Custom Cable Harness, PCBA, Electronics Box Build and Turnkey Manufacturing Services.

ICTC strives for personal excellence by listening closely to our customers and through constructive self-criticism and self improvement.

ICTC is highly motivated and works to achieve and surpass all of our customer's expectations.

As a team, the ICTC focus is on the growth of profits to ensure the financial health and security of our organization for many years to come.

ICTC always communicates this mission whenever we can and is continuously open to change and fresh ideas.
